

LOVE
WINTER

We've got the heat covered with plans to fit you

We know the winter can be an unpredictable time in Nova Scotia. But with our service plans, we give you peace of mind knowing your heating system is being taken care of and giving you one less thing to worry about.

Each of our plans include:

- On-call Emergency Service — 24 hours a day, 7 days a week. The added security of Wilson's staff are available should you experience any problems with your heating system.*
- Total Parts Replacement — No deductible on any part of your heating system, including parts and labour, even on emergency after-hours calls.*
- Regular Maintenance—Including cleaning and tune-up of your furnace to ensure maximum efficiency, including replacement parts and combustion analysis.*
